Hi there, Levell are you starting at 9am ? Should I get a backup battery so that it can make it for the day?

Good morning no we should be good we have three and each time they go dead we going to take that one back to charge

Ok great. Good morning. Will you be out at 9am?

Oh I just noticed it started raining

Yes but we ok where started

Where are you I will come find you

On spring between 6th & 5th
